About This Content

If you start a new game beginning in Episode 3: 'Til Death Do Us Part, this option unlocks the ability to make your son Antonio a Life Mage, putting him in line to inherit the throne.

Title: Affairs of the Court: Choice of Romance - A Life Mage Child

Genre: Adventure, Indie, RPG

Developer:

Choice of Games

Publisher:

Choice of Games

Release Date: 16 Aug, 2013

a09c17d780

English

When I first dicovered the Choice games I thought, as an avid reader, I had found a genre that I could very much enjoy. After trying a fair number of these interactive stories I think they are just artless garbage written with the sole purpose to make a quick buck and they just keep getting worse. I won't be buying any more.
